1. Product name and description

Experience package in Sipoo – Relax in the heart of nature and enjoy local products

Come and enjoy a relaxing day in the countryside. During the day, you'll go on a guided relaxation hike through the nature of Sipoo National Park. While enjoying lunch in the farmyard, you can also admire the chickens and pet the sheep. In the garden, you can step into a world of greenery, colors, scents, and flavors. Awaken your taste buds with organic flowers, herbs, and shoots. Dinner awaits you at an idyllic, small seaside restaurant serving the pure flavors of the archipelago and locally caught fish. If you wish, you can end the evening by relaxing in the gentle heat of a traditional Finnish sauna and soaking in a hot tub under the starry sky. The next day, you can explore Sipoo's sights and enjoy a delicious lunch with the whole family at the cultural center.
